# Minutes of Meetings

The school managing committee meeting was held on Friday, 04th October, 2019 in the conference hall at 10:00 a.m.

- Attendance of Members of SMC enclosed.

The outline of the meeting was to apprise the committee members with the functioning of the school and the achievements till date. The meeting was chaired by Mrs. Divya Jain (Chairperson) and conducted by Mrs. Poonam K. Mendiratta (Principal).

The agenda of the meeting was as follows:

1. Welcome by the Chairperson.
2. Attendance of the members present.
3. Report on the progress of the School by the Principal.
4. Advancement of the building.
5. Infrastructure and facilities.
6. School Functions.
7. Appointments, Confirmations and Extension of probation.
8. Projections for the future.

The Chairperson, Mrs. Divya Jain extended a warm welcome to all the members of the Managing Committee. After which Principal of the School, Mrs. Poonam K. Mendiratta took over the meeting and welcomed the committee members. She also expressed her deep appreciation to the Chairpersons, Ms. Divya Jain and COO, Ms. Puja Khurana for their vision in establishing two campuses of The Manthan School as an institution of excellence. She presented the school report through a power point presentation. The meeting started with the introduction of the members present.

The Principal read out the school report with the help of a Power point presentation and following were the salient points discussed.

---

1. Confirmation of the minutes of the Managing Committee Meeting held on 18th May, 2018 - The minutes of the last Managing Committee Meeting were read and confirmed.

2. Action taken on the points arising out of the last Managing Committee Meeting- Ms. Poonam Kumar Mendiratta discussed the points arising out of the Managing Committee Meeting and confirmed no action was pending.

➤ As noted in the Meeting the school has total of 2 Computer Labs, 3 Dance Rooms, 2 Indian Music, 1 Western Music Rooms and 2 Art Rooms.

➤ CBSE Affiliation – The School is affiliated to CBSE till Secondary level.

➤ 62 rooms in C Block are functional.

➤ Flipped Classrooms for Grade 5 – 8 – As a pilot project it was incorporated.

➤ Coordinators Rooms, Staff Room and teachers' workstation are fully functional.

➤ Fully Functional Sports Ground handed over to School.

➤ Special Educator and Speech Therapist have been hired.

➤ New clubs are introduced like Interact Club and Social Awareness Club.

➤ To inculcate the importance of healthy living the school organised a Marathon for Healthy Run for Students, teachers and parents as well.

3. Overall Achievement of the school- The school started in the year 2017 and since then worked cohesively towards the growth of the school by collaborating with Korean Cultural Centre, now accredited to British Council, Cambridge English Assessments and also a sister concern school in South Korea. Got several accolades and awards for outstanding contribution towards education from various agencies.

4. Inter School Achievements – The school participated in various prestigious competitions and got total of 4 first and 7 third prizes. Other various competitions where school participated were Raman Young Scientist Award, Manga High Math Challenge, The Diplomathan Conference, Skating Championship by Rotary Club and Badminton Championship.

5. Olympiads Achievements – The School participated in SOF and Silver Zone Olympiads. The results were –

- Gold – 32
- Silver – 13
- Bronze – 10

---

Kyra Khanna and Pushti Chaudhary qualified for 2nd level.

6. Cambridge English Assessment- The students also participated in Young Learners English Program. All the students cleared the exam with mostly 5 shields in all the four skills – Reading, Listening, Writing and Speaking. Ruhanika Pandey passed with distinction in KET.

7. No. of Admissions- Good number of students has increased from Session 2017 to 2018. Total strength of 1002 is an achievement in two years of new school.

8. Value Based Work - Serving God's people is equal to serving God. At The Manthan School, we believe in fostering the value of service to humanity at an early age. Community Service activities not only inculcate a spirit of sharing but also sensitize students towards the needs of those who are not as fortunate as themselves. In respect a Christmas sale was conducted in the month of December, the school has also adopted a Rajkiya Prathamik Vidyalaya, Richpalgadi where students along with the teachers donated stationery items and spent time with less privileged. Also, the School organised preventive health check-up camp, rubella vaccination camp (open for all), E-waste collection plus throughout the year community service programme was carried out where students collected things and distributed among the less privileged.

9. The school has organised Investiture and Scholar Badge Ceremony, an Annual Sports Function – Khelchakra and Graduation Ceremony. Various Special assemblies and visits were organised to edify and sensitize the young learners time to time. Students also visited South Korea to Areum Middle School our sister concern to learn about their school culture and education pattern.

10. The teachers are being sent from time to time to seminars and conferences for their professional development.

11. Guest Speaker Programme – From time-to-time various Guests are called from different walks of life to come and share their experiences and to motivate the students.

12. Future Projections –

- Senior Secondary Affiliation
- Member of Sahodaya Schools
- Collaboration with Goethe Institute
- Collaboration with Japan

- 
- Launch of Manthan Book Club
  - Collaboration with Fair Trade
  - Starting Cafeteria
  - Starting Scouts & Guides
  - Horticulture

The broad observations-suggestions of the members of the Managing Committee are summarised below:

**Ms. Richa Bhatnagar**

- She was of the opinion that it was a very well-presented report and congratulated the school for its achievement in a very short span.

**Dr. Anuradha Roy**

- Expressed her appreciation at the care taken by teachers and stated that their children greatly enjoyed coming to school.
- Parent counselling sessions including the time management sessions for parents should be conducted in the school.
- POCSO workshop should be rearranged as conducted in last academic session to spread more awareness.

**Ms. Pooja Bajaj**

- The school should organise career counselling sessions and aptitude tests for the students. In addition to this lot of collaborated learning should be carried out.

The meeting ended with a Vote of Thanks to the members present followed by high tea.

Dated: 04th October, 2019

---

# Principal's Message

The year gone by has seen lots of ups and downs in each n everyone's life. Life came to a halt with the declaration of countrywide lockdown. Following the protocols, the school were closed for everyone from 16th March 20. The school and the faculty were well prepared for this emergency. They started working from home with minor hiccups. As part of the professional development program, the teachers attended various webinars to acquaint themselves with the technology. Amidst the turbulence, the school kept working hard and got the CBSE Affiliation number for senior secondary school. Now we are till Grade 12. We offer a spectrum of subjects for the students to choose from as per NEP 20.

The faculty members in their full exuberance trained students for inter-school competitions and brought laurels to the school. The Scouts and Guides gave their second satra online exam. Under the NCLB the students were given extra classes to clear their concepts. There was not a single festival (national or religious) that was not celebrated online with the students. As per the annual calendar, all the subject weeks and intra-school competitions were carried out.

The times were difficult but, we all sailed through it together.

---

# School Background

## School Vision Statement

We strive to provide a safe, happy and protective environment, around the curriculum enabling students to wonder and be curious, explore and equip with the skills to become a life-long learners. We exhort the students to, **GET** information, **SET** ideas and solutions, **KNOW** the world and **FLY** as an achiever.

## The Manthan Mantra

Taking its name from the divine churning of the ocean, The Manthan School delves deep into the sea of knowledge. The students are churned into a vast repository of pedagogy to empower them with the highest levels of learning, turning them into better students and proactive members of the society. We intend to make the learning process enjoyable where our students can turn ordinary things into extraordinary.

As the world sits at the crossroads, we see ourselves as the creators of agents of change. The students are provided with a stimulating environment to nurture their talents, hone their skills and turn them into Global Citizens when the time comes for them to leave the nest. The School is like a home and its teachers akin to mothers, who take pride in feeding them with knowledge. They are tearfully joyous when these learners empowered with skills are set out to fly to conquer the world.

# Infrastructure

The Master Plan of the 2.5 acres institution campus has been developed keeping in mind universal design principles so as to allow a barrier-free access in the vicinity. Being a Mahagun venture, the school building is environment friendly and intends to create a holistic ambience with greens in harmony with the eco-friendly environment. Intermediate gardens, indoor green play areas, free-flow circulations, interesting play of spaces and light - Our modern design built-up provides an aesthetically pleasing and hence motivating environment for the students. Our classrooms are large, air conditioned and well-lit with the smart and interactive learning techniques.

The school contains four blocks namely: Administrative, Pre-Primary, Secondary and Recreational. These blocks have been strategically located to ensure minimum interferences in respective functions and facilities. We understand that the needs and requirements of the Pre-Primary and Secondary Schools are different and thus they have been designed in such a way that both the zones do not collide or overlap each other.

## Classrooms and Laboratories

Our Classroom focuses on individualized-personalized attention and care to build strong base of compassion and security for the children. The rooms are well ventilated, bright and child friendly with age appropriate furniture. Classrooms are equipped with air conditioning facility. The primary classrooms have different learning corners that focus on individual learners and their strengths. The faculty members use every technology tool at their disposal to foster a rich and varied learning environment in the learning rooms.

Along with this state of art laboratories are provided to students which enable them to apply theory into practice.

## Audio Visual Room and Open Air Theatre

AVR is a multipurpose room, which serves as a good utility space for learning, assemblies, parent orientations, functions and lesson enrichment.

OAT is an artistically designed space which adds aesthetic value to the elegant and beautiful landscaping of the school. It provides ample space for activities such as street plays, competitions, Yoga and celebrations.

## Sports Arena

Physical fitness is one of the most important element of leading a healthy life. An exclusive state-of-the-art arena is designated for the students to avail the Sports facilities like: Basket Ball, Gymnastics, Table Tennis, Skating, Yoga and Badminton. An outdoor Gym for senior students and an indoor gym for our little ones is there for them to de-stress in their free time.

## Library

The knowledge hub is acquainted with the books for all age groups from primary to Grade 10. The athenaeum provides an environment to the teachers for their CPD. The reference books and the periodicals provide the students the comfort to do research and self-learning. From health to sports and mythology to fiction it has everything.

## Artists Hub

Art education is a vital component of childhood development. It gives wings to the creativity of the students to express themselves. A wide range of experience is provided to our students through drawing, painting, sculpture and craftwork. Art education develops creativity and problem-solving skills improves judgment and shows children that there are multiple perspectives. It teaches students to think through and within the material.

## Technology Lab

The Computer Lab is equipped with 30 computers, easy access to the Internet and a technology specialist teacher who knows how to navigate and instruct the students in regards to all issues of information, communication and technology. It offers ICT - Media Literacy - STEM to all students from 1-8 along with their teachers. Manthan creates an aroma of learning for all the students in the Lab, allowing them to build technology specified skills from grade to grade.

## Performing Arts Hubs

Aesthetically designed Music, Dance and Drama rooms, weave spirituality and freedom of expression seamlessly into the curriculum.

The school encourages various forms of music - vocal and instrumental. Dedicated music teachers cultivate interest in children with a flair for music and hone their talents and skills. Music is a part of our daily existence - this is reflected through the Kitchen Band – children using various utensils to create melodious notes and music.

Dance is understood to stimulate skills that synthesize and communicate the results of one's thinking in the visual form. The school encourages children to actively participate in various events which encompasses dance in myriad forms. Students actively engage themselves in learning various forms of contemporary and modern dance forms helping them to express themselves mentally, physically and emotionally.

Dramatic exploration provides students with an outlet for emotions, thoughts and dreams. A moment, to become another, explore and experiment. In today's ever increasing information centered world, Drama, like no other art form, helps students communicate with and understand new worlds. The school hosts not only annual events wherein students are encouraged to come up with different themes, adaptations and original, cultivating their thoughts and channelizing their ideas into works of artistic expression.

---

# School Culture

Our philosophy of education is a student-centered learning approach which is supported by NCLB policy where no student is left behind and from time to time remedial classes are conducted to bring below average students at par with the class. The overall importance is placed on the importance of their physical and emotional progress, which leads to their academic achievement.

The faculty is well equipped with the latest technology, which provides them with a broad spectrum of delivery methods for the curriculum content. The focus is on creating a caring, engaging and a learning environment that is also academically rigorous.

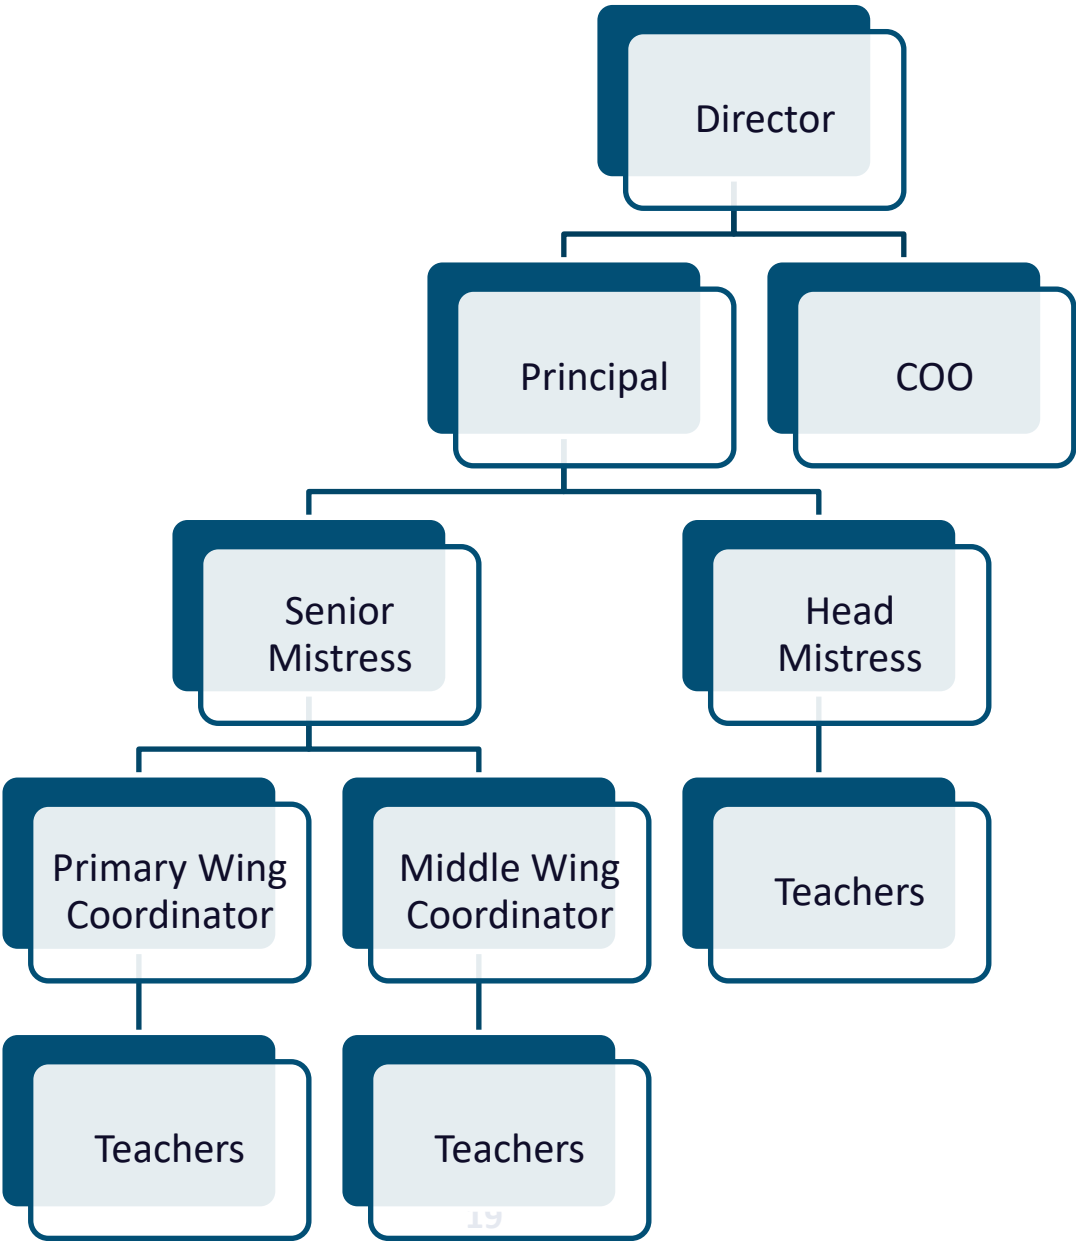

Till Grade 2 we follow mother teacher concept, which helps in a strong understanding of the students. Parents are also offered a regular time of communication with their teachers through messages, mails and ERP. Grade 3 onwards the system is more versatile as the concept of subject teachers begins.

To support the care and safety of each child, the school has a well-developed management policy with the objective of fostering a school environment that is safe and productive for all. The school also works on the growth mindset of each and every individual with various workshops and display boards.

School's special educator works alongside the teaching team in student wellbeing, managing child protection issues and dealing with challenging behavior. The staff is capable enough to identify children who need support, who are further referred to the special educator for her reference. School is well supported with the manual procedures and policies that are reviewed on yearly basis, which ensures school progress forward each year in well thought out sustainable steps.

# School Management System

Every area of the school forms a learning culture. The school is lead and managed under a Distributed Leadership Model. This helps in shared decision making and facilitated leadership. It helps in creating a dynamic and complex working environment which keeps changing through its focus on improvement.

---

# Distinctive Curriculum & School Offerings

The school offers a wide spectrum of curriculum to ensure that every year the students gain real artistic, dramatic, musical and hard work skills that they can integrate in their lives. With the provision of in-depth learning and hands on activities the students are engaged in appreciation of their own capabilities.

The academic curriculum is strictly based on CBSE norms.

The school also offers a bouquet of competitive exams like Olympiads, Silver Zone and Cambridge English Assessment Exam. These help the students to prepare themselves for the bigger competitive exams.

## Graduation Ceremony

Transitions are an important time to be honoured in a child's life. The school celebrate these days in the form of Graduation Day.

Grade 5	<b>At the end of Grade 5, our early primary years are concluding. With the magic phrase of their childhood being left behind, we embark into a new phase where the world is slightly different and more grown-up. The students on their graduation day with new dreams in their eyes and more responsibilities to shoulder, walk proudly thanking their teachers and parents for a new phase in their lives.</b>
---------	--

---

## Exam Cycle

The academic session is divided into two semesters: Mid Term: 05 to September

Final Term: October to March

### GRADE 1 – 4

No formal examination is held for Grade 1 - 4. However, weekly assessments (Periodic Tests) are conducted to evaluate the progress of the child.

#### **Students of Classes 1-2 are assessed on the following subjects:**

- English
- Hindi
- Mathematics
- EVS

#### **Students of Classes 3 - 4 are assessed on the following subjects:**

- English
- Hindi
- Mathematics
- Science
- Social Studies
- ICT

### GRADE 5 - 8

Evaluation and assessments are as per the CBSE guidelines Annual exam is given 80% weightage.

20% marks are based on Unit Test, Notebook submission and Subject Enrichment Activity.

---

**Students of Classes 5 - 8 are assessed on the following subjects:**

- English
- Hindi
- Sanskrit-French-Spanish
- Mathematics
- Science
- Social Studies
- ICT

**Students of Classes 9 are assessed on the following subjects:**

- English
- Hindi-Sanskrit-French-Spanish
- Mathematics
- Science
- Social Studies

**Students of Classes 10 are assessed on the following subjects:**

- English
- Hindi-Sanskrit-French-Spanish
- Mathematics
- Science
- Social Studies

---

# Co-curricular Activities

Alongside the school has a wide range of club offerings to the students which help them in enhancing their multiple intelligence. Various Clubs offered in 2019:

1.	Contemporary Dance	1.	Taekwondo
2.	Classical Dance	2.	Gymnastics
3.	Vocal	3.	Yoga
4.	Instrumental	4.	Badminton
5.	Literary	5.	Skating
6.	Tinkering	6.	Cricket
7.	Brain Wave (Quiz)	7.	Basket Ball
8.	Fireless cooking	8.	Athletics
9.	Spell Wiz	9.	Football
10.	Art		
11.	Craft		
12.	Mental Ability & Sudoku		
13.	Photography		
14.	Robotics		

# Academics

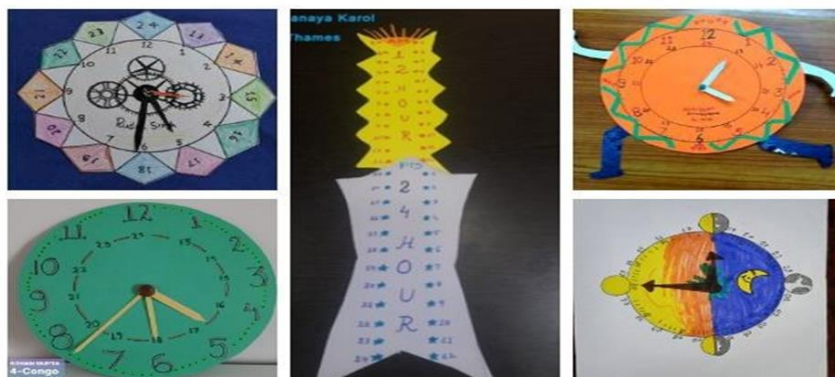

The Virtual Classes started from 26th March 20. Online classes started initially on Zoom platform, however we switched to MS Teams platform.

The use of e books, PPTs, Online videos and various other platforms like Padlet, Kahoot and PHET enabled the teachers to make the process of learning more enjoyable and fruitful. Worksheets, notes and assignments were being provided to students which helped them in Asynchronous learning. A change in scenario was seen where students were trying to be responsible for their own learning.

CBSE had revised the syllabus for Grade 9 & 10 and the students were taught as per the revised rationalized syllabus and new pattern of question paper. The syllabus of other classes with minor reduction was completed on time.

To make learning more interesting and fun Karadi Kaksha was introduced to the students from Pre-primary to Grade 5 to hone the four language skills.

Students were assessed on various parameters like reading skills, speaking skills, listening skills, notebook work submission on teams, project-activity, group discussion etc. throughout the session.

# CBSE Affiliation

School Affiliation for Grade 11 and 12 was carried out virtually on zoom platform due to pandemic and lockdown.

On the assigned date the CBSE team virtually inspected the school. The subjects sanctioned are as follows.

STREAMS	SCIENCE	COMMERCE	HUMANITIES	VOCATIONAL
COMPULSORY SUBJECTS (All Three)	English Physics Chemistry	English Accountancy Business Studies	English Political Science Sociology	English Painting Fashion Studies

-----------------------------------	--	--	---	--

## 2nd Inter School Fest – EDGE

EDGE was organized virtually due to restrictions over physical presence of the students on 14th August 20. The theme for the fest was Atma Nirbhar Bharat, given by our honorable PM. The competitions were crafted keeping in mind India's Independence Day as it was the month of August.

Despite the pandemic the competition received an overwhelming response with schools participating from all over NCR. Various competitions to hone the skills of the students were organized.

Competitions were judged by an eminent panel of judges from the field of arts and education. Certificates both participation and winners were awarded.

---

# School, Student & Teaching

## Achievement

School is proud of all its student and teaching achievements. We believe every day offers something to be celebrated in both the areas. Every year the students display a good growth in academic field and competitive exams.

### Result of Olympiads

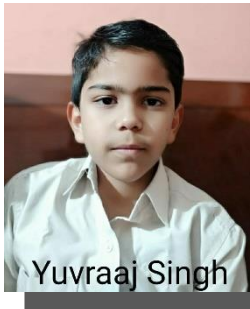

S.no	Olympiads	Medals Won
